Solution to No. 893

No knowledge of arithmetic is required to enjoy this. All you need is a logical mind, a pencil and an eraser. Try it. Suffer its torture. Discover its ecstasy. It's a mind game you will solve with reasoning and logic. The rules are very simple. Fill in the grid with numbers so that every row, every column and every small 3x3 box contains the numbers 1 to 9. Each number has its allotted place if you look hard enough. No number should be repeated in any row, column or 3x3 box. Here's an easy one to try - See tomorrow's Island for solution.

Kareena to dance to an item number

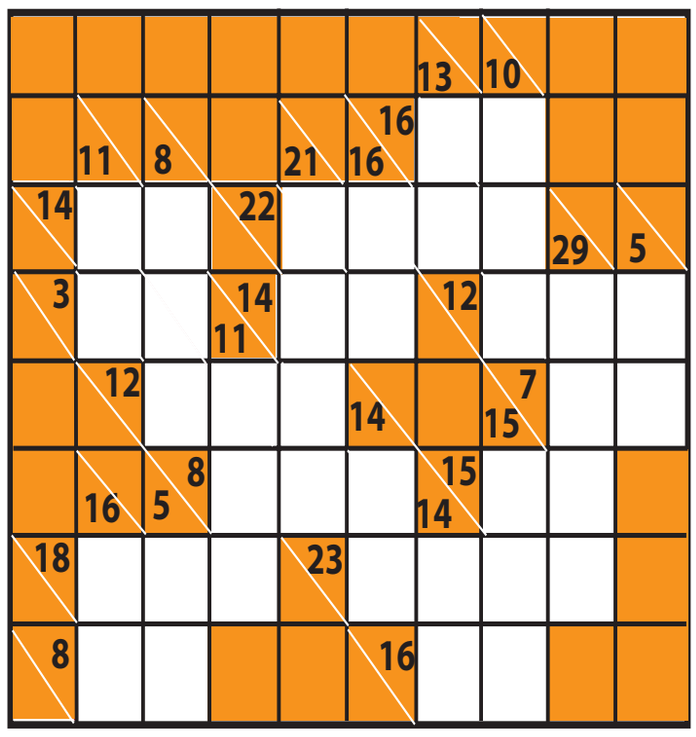
Kareena Kapoor always rocks when she does any item numbers for any movie, 'Yeh Mera Dil' from Don and Its Rocking from 'Kya Love Story Hai' are still etched in people's heart 'coz of Kareena's wonderful performance.

This time Kareena is going to shake her legs exclusively for SRK-Irrfan Khan starrer Billo Barber. Apparently Kareena's item number will be the main USP of Billo Barber.

A source says, "Kareena's song is crucial to the story of BILLOO BARBER. Like Kareena's famous song in DON which people still remember similarly people will never forget the BILLOO BARBER number too. Kareena's name will become synonymous with the number."

Billo Barber will be hitting the theatres later this year in October.

KAKURO 120



How to play

Fill in the blank squares, using 1 to 9, without repeating any number in any line. The lines must be filled in with numbers that add up to the total in the shaded box at the top or beginning of each line. A number in the bottom half of the shaded box is the downward total; in the top half, it's the horizontal total.
