Solution to No. 946

No knowledge of arithmetic is required to enjoy this. All you need is a logical mind, a pencil and an eraser. Try it. Suffer its torture. Discover its ecstasy. It's a mind game you will solve with reasoning and logic. The rules are very simple. Fill in the grid with numbers so that every row, every column and every small 3x3 box contains the numbers 1 to 9. Each number has its allotted place if you look hard enough. No number should be repeated in any row, column or 3x3 box. Here's an easy one to try - See tomorrow's Island for solution.

I'm not a slave to fashion trends: Deepika

Supermodel turned actress Deepika Padukone who is really appreciated for her sense of style and her beauty declared that she is not a slave to fashion trends and wears what she finds comfortable. She was in Delhi to walk the ramp for designers Shantanu and Nikhil at the Wills Lifestyle India Fashion Week,

"I believe in being comfortable in what I wear instead of wearing something in fashion that does not suit my body. I don't follow fashion trends," said Deepika.

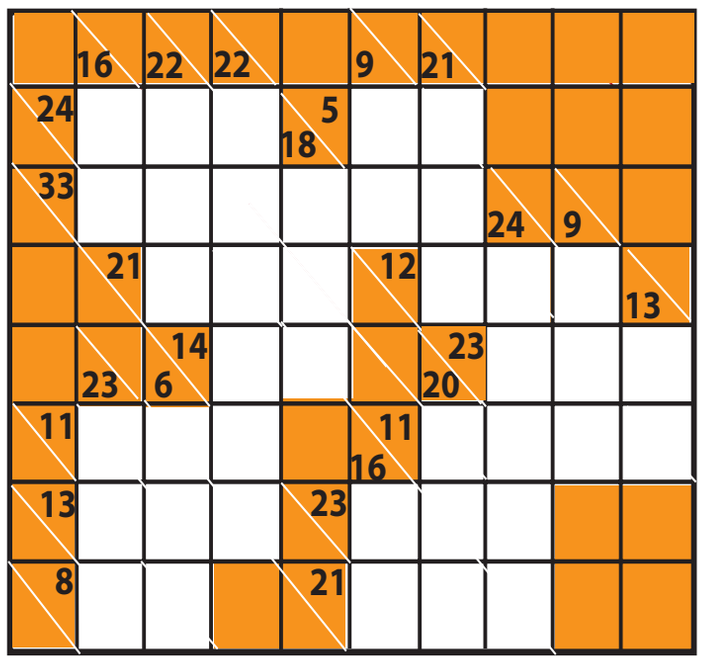
On being asked who her favourite designer in the industry and without battling an eyelid, pat she replies - Manish Malhotra.

"Manish always goes out of his way for me and does a good job. He also did my first film 'Om Shanti Om'," she explains.

She also announced the winner of a Fiama Di Wills Beautiful Face 2008 Hunt, organised in collaboration with the Elite Modelling Agency.

Unfortunately, the chosen face looks nothing in comparison to Deepika's face. Poor Girl!

KAKURO 172



How to play

Fill in the blank squares, using 1 to 9, without repeating any number in any line. The lines must be filled in with numbers that add up to the total in the shaded box at the top or beginning of each line. A number in the bottom half of the shaded box is the downward total; in the top half, it's the horizontal total.
