Solution to No.1028

No knowledge of arithmetic is required to enjoy this. All you need is a logical mind, a pencil and an eraser. Try it. Suffer its torture. Discover its ecstasy. It's a mind game you will solve with reasoning and logic. The rules are very simple. Fill in the grid with numbers so that every row, every column and every small 3x3 box contains the numbers 1 to 9. Each number has its allotted place if you look hard enough. No number should be repeated in any row, column or 3x3 box. Here's an easy one to try - See tomorrow's Island for solution.

Salman and Kareena friends again

Not too long ago when Kareena was dating Shahid, some misunderstandings between Shahid Kapoor and Salman Khan lead to sour ties between Sallu and Bebo. But the Shahid episode is over and now Salman and Kareena are doing a film together titled Main aur Mrs. Khanna but still they shared icy vibes.

A source reveals,"When they started shooting for Main Aur Mrs Khanna, Kareena and Salman only behaved like professionals. Anybody who saw them share icy vibes would never have been able to tell that the two were thick friends once upon a time.

Even as their onscreen chemistry sizzled in Main Aur Mrs Khanna, they refused to interact off-screen.

In fact, things were so bad that director Prem Soni would have to discuss scenes separately with both the stars. But during the Panchgani schedule, Kareena and Salman hit it off instantly."

However Kareena took an initiative to settle things between her and Sallu, "There was a sensitive scene that required a lengthy discussion. Ideally it was Prem Soni who would have discussed the scene separately with both of them. But this time, things were different. Kareena suddenly walked up to Salman and began chatting about the intricacies of the scene with him. Initially, Salman was taken by surprise but gradually he was amused by what Kareena was saying.

Then suddenly, they started laughing out loud. Saif's presence further eased things as Saif and Salman share an excellent rapport. A delighted Prem Soni then started discussing the scenes with Kareena and Salman together. It was an emotional reunion especially because Kareena's sister Karisma too is a close friend of Salman."

The source adds,"Despite a cold war with Salman, Kareena had agreed to play the lead in Main Aur Mrs Khanna because she liked the script. But Kareena is happy to bond with Salman once again."

How to play
Fill in the blank squares, using 1 to 9, without repeating any number in any line. The lines must be filled in with numbers that add up to the total in the shaded box at the top or beginning of each line. A number in the bottom half of the shaded box is the downward total; in the top half, it's the horizontal total.
