Kim Kardashian Is Getting Ready for Bikini Season

By Lisa Lucas

Summer is just around the corner and Kim Kardashian is ready to show off her body. I feel great. I am ready for the bikini body, she told PEOPLE on Wednesday at an opening bash for Dash, her new Miami boutique with sisters Khloe and Kourtney, at the Cleveland hotel in South Beach. I am eating well and I go to the gym every day and I already see a difference. The 28-year-old reality star had blogged in March that she wanted was motivated to get in better shape and tone up after unretouched photos of her from Complex magazine appeared on the Internet. Besides working on her body, Kardashian who wore a sexy, form-fitting sleeveless dress at the bash, hosted at the hotel's 1020 Music Box Club is also ready for her siblings to take center stage in their own Keeping Up with the Kardashians spinoff, tentatively titled Kourtney and Khloe Take Miami. The E! show will focus on their new life running Dash in the south Florida city. At the party, Khloe told PEOPLE that she is ready to jump back in the reality saddle even after her unhappy experience being a contestant on the Celebrity Apprentice. I can't wait for it to be over to go home, says Khloe. I don't regret it, but I would never do it again. Though she isn't the star of her sisters' new show, Kim says she'll be making guest appearances on the Miami set with boyfriend Reggie Bush. He'll be spending time with me during the shoot, she says. And Kardashian reported that stepdad Bruce Jenner is looking great after his recent facelift, which was revealed on an episode of Keeping Up with the Kardashians. I think Bruce looks amazing! she said. I'm all for looking your best, no matter what it takes.

How to play Fill in the blank squares, using 1 to 9, without repeating any number in any line. The lines must be filled in with numbers that add up to the total in the shaded box at the top or beginning of each line. A number in the bottom half of the shaded box is the downward total; in the top half, it's the horizontal total.
