

Ekamath Eka Rateka

A faceless fantasy dipped in scheming life journeying across endless time in search of a silver screen to unfold the story of one woman and two men.

(Once upon a time)

A film by Sanath Gunatilake

EKAMATH EKA RATEKA (Once Upon A Time) is based on the short story *Pour une nuit d'amour* written by world famous French novelist Emile Zola (1840 - 1904). It embodies a universal theme and consists of realistic characters depicted from the real life. I named my film EKA-MATH EKA RATEKA.

According to the Buddha's preaching, all existences are continuously changing. The human life entails misery, greed, ignorance etc. The human beings on account of their greed to realize their satisfactions constantly face unpleasant experiences and become depressed when there is failure. EKAMATH EKA RATEKA is such a cinematic depiction which relates a story of an old, ugly flautist player who craves the love of a beautiful girl who hates him and the young lawyer coming in between their love.

If you are a woman and if you think it's a dignity to be a woman, that doesn't mean you should plead in front of the man because of the devotion and the respect which you have towards him. That is the message of EKAMATH EKA RATEKA.

I would be grateful if you could send me your comments and critics after watch-

ing EKAMATH EKA RATEKA, which will be a blessing and an encouragement in my cinematic career.
Best regards,

realistes qui pourraient exister dans n'importe quel pays. C'est la raison pour laquelle j'ai intitulé mon film EKA-MATH EKA RATEKA.

ravissante mais celle-ci le meprise profondément et un jeune avocat interviendra bientôt dans cet amour.
Si vous êtes une femme et

si vous pensez que c'est une fierté d'être une femme, cela ne veut pas dire que vous devriez être soumise devant l'homme en raison du respect et de l'attachement que vous éprouvez envers lui. C'est le message du film EKAMATH EKA RATEKA.

Je vous serai reconnaissant si vous pouviez m'envoyer vos commentaires et vos critiques après avoir regardé le film, ce sera un grand encouragement dans ma carrière cinématographique.

Chers amis, EKAMATH EKA RATEKA (il était une fois) est une adaptation au cinéma de la nouvelle *Pour une nuit d'amour* écrite par l'écrivain français Emile Zola (1840 - 1904). Elle traite un thème universel et comprend des personnages

Selon la philosophie de Bouddha, tout ce qui existe dans cet univers change constamment. La vie d'un être humain est faite de misère, d'avidité et d'ignorance. L'être humain éprouve l'envie d'obtenir tout ce que lui propose son désir et la souffrance naît de la non-satisfaction et de la frustration, c'est ce dont le film EKAMATH EKA RATEKA nous parle. C'est un triangle d'amour. Le film relate l'histoire d'une personne laide, joueur de flûte, qui rêve de l'amour d'une fille
