Solution to No.1159

No knowledge of arithmetic is required to enjoy this. All you need is a logical mind, a pencil and an eraser. Try it. Suffer its torture. Discover its ecstasy. It's a mind game you will solve with reasoning and logic. The rules are very simple. Fill in the grid with numbers so that every row, every column and every small 3x3 box contains the numbers 1 to 9. Each number has its allotted place if you look hard enough. No number should be repeated in any row, column or 3x3 box. Here's an easy one to try - See tomorrow's Island for solution.

Deepika in her stance says, "I am committed to my films once I sign them and I am professional when it comes to my work. Stories of me talking to Ranbir on the phone for hours together when we are not working together are not true. I don't get distracted by Ranbir once I am on the sets of my film and vice versa. Both Ranbir and I are professionals and know our responsibilities."

Deepika you are endorsing a top telecom brand, you should be on phone 'coz its in aaj Kal.

KAKURO 396

Solution Kakuro 395

How to play Fill in the blank squares, using 1 to 9, without repeating any number in any line. The lines must be filled in with numbers that add up to the total in the shaded box at the top or beginning of each line. A number in the bottom half of the shaded box is the downward total; in the top half, it's the horizontal total.
